CHAIRS

KEMBO

Superior stackable chair, available in various fabrics and frame finishes. SABS tested for institutional use. Perfectly suited to the hospitality, conference and corporate environments.

Optional Extras:

- Armrests
- Upholstered Seat and Back
- Writing Tablet
- Chair Trolley

SKS

SKS Hospitality chairs offer a range of banquet chairs, each designed for durability and comfort. Constructed with either mild steel or aluminium frames. Additional design elements include stacking bars, stabilizer bars and copolymer strips to prevent finger injuries. These chairs are stackable up to 10 units. Minimum order quantities apply.

Optional Extras:

- Chair Trolley

ZOWN ARAN PLUS

Folding chair with seat and backrest in injected polypropylene ergonomic mesh that adapts to the body. In addition, the perforated surface gives it breathability and facilitates drainage in case of rain. Piston folding system that provides greater safety and avoids snagging points. Very comfortable, lightweight and easy to store.

Optional Extras:

- Chair Trolley

ZOWN NORMAN

Folding chair with polyethylene seat and backrest. Spacious, sturdy and comfortable. Designed with comfort in mind if seated for several hours. Built-in handhold for easy manoeuvrability.

Optional Extras:

- Chair Trolley

BANQUET TABLES

ZOWN PLANET 180

Round folding leg table for up to 10 people, with high density polyethylene top and painted steel structure. Ideal table for banquets and celebrations. Table frame designed with no crossbars to ensure greater comfort; its lightweight nature enables the table can be easily moved by rolling it without cracking. Includes self-sliding safety lugs to prevent unintentional folding.

Optional Extras:

- Table Trolley
- Linen

SICO 1830 DIAMETER

Internationally accepted Sico table systems with ArmorEdge™ technology for the hospitality, conference and corporate environments. Available in Mobile Folding and Folding Leg options. Environmentally friendly, green construction, can be used with or without linen. Available in grey or dark wood laminate finish.

Optional Extras:

- Table Trolley
- Linen

CONFERENCE TABLES

ZOWN M183

Folding leg table (1830 x 450) with high density polyethylene top and powder-coated steel structure, including self-sliding safety lugs to prevent unintentional folding. Capacity 3 people. Ideal for conferencing and educational environments.

Optional Extras:

- Table Trolley
- Linen

SICO 1830 x 450

Internationally accepted Sico table systems with ArmorEdge™ technology for the hospitality, conference and corporate environments. Available in Mobile Folding and Folding Leg options. Environmentally friendly, green construction used with or without modesty panels. Available in grey or dark wood. No linen required.

Optional Extras:

- Table Trolley
- Modesty Panels
- Linen

ZOWN XL180

Rectangular folding table with high density polyethylene top and painted steel structure. Lightweight and easy to handle with self-sliding safety lugs to prevent unintentional folding. Capacity 8 people.

Optional Extras:

- Table Trolley
- Linen

COCKTAIL TABLES

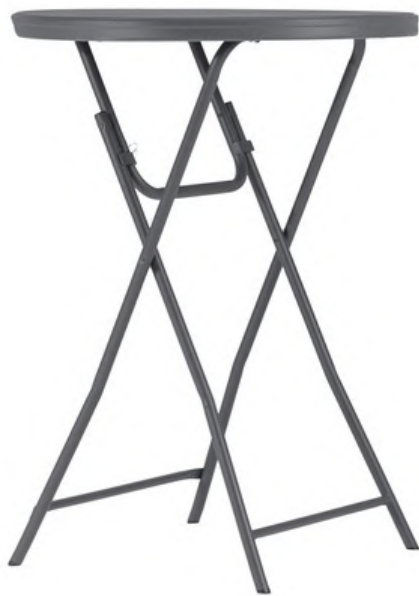

SICO SOCIALISER

SICO® Cocktail tables are available in multi or single height options with folding tops. Designed to complement seating or standing for any venue. Made with a high-pressure cherry wood laminate top and SICO® Armor-Edge® protective perimeter and a powder coated finish for added durability.

Optional Extras:

- Table Trolley
- Linen

ZOWN COCKTAIL

Folding leg cocktail table, suitable for events or conferences. Featuring a high-density polyethylene top and powder-coated steel structure. Lightweight and easy to fold suitable for use without linen.

Optional Extras:

- Table Trolley
- Linen

3-POD COCKTAIL

Elegant and simple, the 3-Pod table is particularly suitable for bars and cafés as it does not suffer from exposure to bad weather. The 3-Pod supporting structure is made of aluminium with 3 adjustable supporting feet and the table surface is moulded Polypropylene.

Optional Extras:

- Linen

SERVER TABLES

ZOWN TWO TIER SERVER

Folding leg two-tiered server table, enabling fast and easy setup for the catering and hospitality industry. High density polyethylene tabletop with spray-painted steel structure.

Optional Extras:

- Linen

SICO TWO TIER SERVER

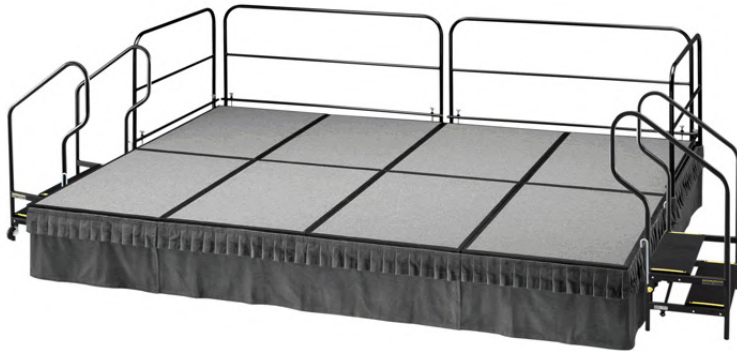

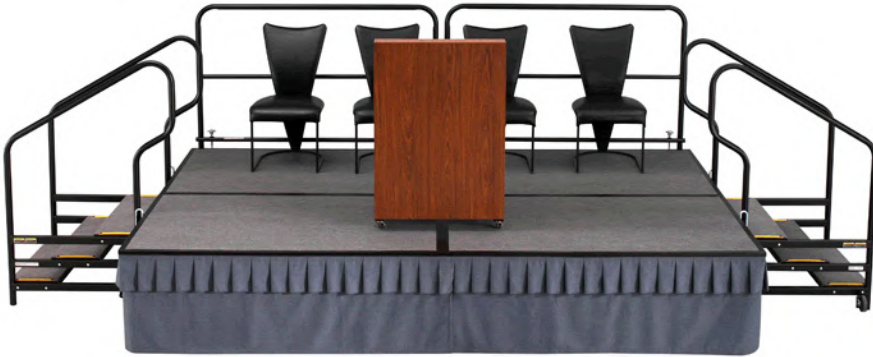

The SICO® two tier server table allows a beautifully presented service to be completely set up in the kitchen, then rolled into use by just one person. Suitable for use as portable bars, registration desks, or buffet set-ups, take advantage of the storage racks for holding extra supplies.

Optional Extras:

- Linen

STAGES

SICO MOBILE FOLDING

The SICO® mobile folding stage system 1830 x 2440mm, available with height adjustment capabilities of 41-61cm, finished with a black wear resistant carpet. Designed to be handled and set up by just one person with each stage component rolling freely.

Optional Extras:

- Stage Steps
- Stage Skirting

BUTEC

Modular stage elements, to create and build stages of any dimension. Easy build up and breakdown, requiring minimal labour and storage requirements. Various height options are available.

Optional Extras:

- Stage Steps
- Stage Skirting
- Wheelchair Ramps

DANCE FLOORS

SICO CAMLOCK DANCE FLOOR

SICO® Cam-Lock Portable Dance Floor ideal for corporate and hospitality events, features a fresh wooden look with a maintenance-free, high-grade laminate surface. This surface resists chipping, scratching, and fading. The Dance floor's cam-lock system automatically aligns panels and trim pieces together for a fast and secure fit. Available with an optional transport caddie.

- Optional Extras:
- Transport Caddie

SPECIALISED EQUIPMENT

SICO ROOM SERVICE TROLLEY AND FOOD WARMER

SICO® tri-fold room service trolley offers user-friendly experience, allowing easy access to rooms and passageways. Vinyl-coated storage racks eliminate noisy metal-to-metal contact when used with the SICO® Food Warmer. Specifically designed for the hospitality industry.
